

Part-Time Lecturer Position in Information Systems (0.2 – 0.6 FTE)

Job Description

Rotterdam School of Management (RSM), Erasmus University, invites applications for a lecturer position in Information Systems. The position is in the Department of Technology and Operations Management (Section BIM - Business Information Management). The starting date is 1 January 2021. This is a temporary position, until 30 June 2021.

The lecturer position involves the supervision of 8 master theses for a 0.2 FTEs contract. The requirements for 0.4 FTEs or 0.6 FTEs are 16 and 24 master theses respectively. RSM's MSc Business Information Management programme teaches a world-class, one-year curriculum, where students follow compulsory and elective courses and write a thesis.

Due to Covid-19, all teaching activities at RSM in the first half of 2021 will be delivered online. Therefore, this position does not require physical presence in Rotterdam or the Netherlands.

Required qualifications

Successful applicants are expected to have a PhD degree in Information Systems, or related fields (i.e. Management, Marketing, Economics, Computer Science), and demonstrate a strong interest and a proven track record in teaching at MSc levels and a proven track record in this respect.

Employment Conditions

The conditions of employment comply with the collective labour agreement for Dutch Universities (CAO NU). The lecturer appointment runs from 1 January 2021 until 30 June 2021, which can be extended. Erasmus University Rotterdam has attractive employment conditions, which include a holiday allowance of 8 per cent, an end-of-year bonus of 8.3 per cent, and a generous number of vacation days. Favourable tax agreements may apply to non-Dutch applicants.

Applications

Applicants who would like to be considered should send their complete package (including a CV, a motivation letter, and any current/recent teaching evaluations) to the RSM Department of Technology and Operations Management (section Business Information Management) via applications-dept1@rsm.nl with subject title "Part-time Lecturer Position".

Consideration of candidates will begin immediately and will continue until November 30, 2020.

For inquiries about this position, please contact Dainis Zegners (zegners@rsm.nl).

About RSM Business Information Management

The BIM Section of the Department of Technology and Operations Management at Rotterdam School of Management offers a high profile MSc Program in Business Information Management, one of Europe's largest master programs in Information Systems with 300+ new students in 2017. The program delivers in-depth knowledge from theoretical and practical perspectives (for more information on the BIM master programme: www.rsm.nl/master/msc-programmes/msc-business-information-management/). Further, the section is active in other master and bachelor programmes. The BIM Section has a large, young, and highly international faculty (13 full-time research active faculty) educated at renowned institutions in Europe, the U.S., and Asia. We have a strong research and teaching tradition and an international orientation both to the academic community and the business community.
