2020

24-27 JUNE

Key dates

On June 24th-27th 2020, the Kemmy Business School (KBS), Ireland's only UN PRME-designated school at the University of Limerick, will host the **7th biennial International Symposium on Cross-Sector Social Interactions (CSSI 2020)**. The CSSI symposia is an important gathering of practitioners and academics who come to share best practice and to discuss future issues in the design and practice of cross-sector partnerships. It is a setting where policy makers, civil servants, CEOs, and academics can discuss the nature and role of partnering and multi-stakeholder initiatives to address key challenges in, for example, climate, energy, poverty urbanization, and sustainable development.

Please stay up to date with developments by following the conference on social:
