Academics and Activism: Engaging with social change Webinar

Wednesday, 28th October 2020

07:00 - 08:30 EDT | 12:00 - 13:30 CET | 16:30 - 18:00 IST

Registration: [Eventbrite link](#)

By presenting diverse practices of activism in and outside the academy, the webinar aims to contribute to the conversations around activism, academy and social change relationship. Through their personal experiences of engagement with various social causes, the speakers reflect on their roles as activists and academics and discuss in which ways their praxis for social change inform their critical research agenda.
