A Harvard Medical School Conference

[Open to the public]

October 26-27, 2023 Boston, MA

REGISTER FOR THE CONFERENCE:
tiny.cc/conference

Discounted pricing before August 31st, 2023

Join us as we embark on a comprehensive exploration of consciousness from the lens of various scientific disciplines and examine the challenges and opportunities that these models present in arriving at a deeper understanding of consciousness. We will bridge the gap between scientific and spiritual perspectives, paving the way for a more holistic understanding of consciousness and its transformative potential in personal, societal and global realms.
