

Call For Applications

IM Division Doctoral Student Consortium 2021

The International Management (IM) Division is offering a [Doctoral Student Consortium \(DSC\)](#) at this year's virtual Annual Meeting of the Academy of Management on [Wed, August 4, 2021](#).

The DSC is designed for current PhD students, who have an interest in international management, as either their primary or secondary field of inquiry. We welcome participants from all stages of the PhD program, regardless of whether you have only just recently joined, or are close to finishing.

The Consortium offers structured and informal discussion between participants and faculty panelists on research, job opportunities, and early-stage career strategies. A substantial amount of time is also set-aside for dissertation development, featuring one-on-one feedback from faculty in small groups. This is an excellent opportunity to receive valuable feedback on your work, as well as a chance to network and get to know your fellow doctoral students and leading scholars in the International Management field.

Elizabeth Maitland
IM Division
DSC Chair

On the same day as the Consortium, participants will be invited to a “[Meet the Editors](#)” session. This session will provide an invaluable opportunity to hear directly from Editors at some of the leading journals in the field of International Management.

To apply, please submit your application materials to e.maitland@liverpool.ac.uk by **May 15, 2021**. Your application should include the following:

- 1-page nomination letter from your advisor/chair
- A description of your dissertation idea, including your research question, relevant literature, research design, and methods (Maximum 2 pages)
- Curriculum Vitae, including relevant contact information (Maximum 2 pages)

If you have any questions, please contact Elizabeth, e.maitland@liverpool.ac.uk.

Please note: Those who have completed their dissertations and are getting ready to start faculty positions in 2021 should apply to the IM Division's Junior Faculty Consortium instead.
