

## CALL FOR PAPERS

Irish Academy of Management Annual Conference 2020

# Management for a Sustainable Future

Dublin City University, Dublin, Ireland

26th - 28th August, 2020

Building organisations that are sustainable requires leaders that will effectively manage the whole of the organisation's resources, including environmental, economic and human resources, from a sustainable, global perspective. In an increasingly uncertain world, the Academy must support and develop current and future business leaders that can meet these challenges.

You are invited to **submit a 1500 word abstract** to the 23<sup>rd</sup> Irish Academy of Management Conference hosted by Dublin City University Business School. The **submission deadline** is **21 February 2020**.

**Details on submission of abstracts and registration**

For more information on submission of abstracts and to register, please visit the conference website:  
[www.iamireland.ie](http://www.iamireland.ie)

- A Doctoral Colloquium
- An Early Career Workshop
- IAM Special Interest Groups

## Keynote speakers will include:

**Anthony J. Nyberg** who is Professor at the University of South Carolina. His research examines how organisations compete through people, specifically the strategic role of pay in the attraction, emergence, retention, and motivation of human capital resources. He publishes in top academic journals, and is currently serving as Associate Editor for the Academy of Management Journal. Prior to completing his PhD Anthony spent nine years as the managing partner for an international financial services firm.

We look forward to welcoming you to Dublin City University
