Joint JIBS-JIBP Paper Development Workshop at the 47th Academy of International Business UK & Ireland Chapter Conference

University of Glasgow
Glasgow, Scotland
2 April 2020

Submission deadline: Monday, February 3, 2020

The 2020 joint Paper Development Workshop (PDW) of the *Journal of International Business Studies* and the *Journal of International Business Policy* will be held on Thursday April 2, 2020 at the University of Glasgow. Participants should plan to arrive in Glasgow the evening before. The workshop takes place before the 2020 AIB-UKI Chapter Conference (see <https://www.aib-uki.org/conference.html>).

The purpose of the PDW is to provide scholars with developmental feedback on their international business research. We invite original papers from new authors who have not previously published in their targeted journal, JIBS or JIBP. We particularly encourage submissions from scholars who are at universities that offer limited research support, or who are trained in disciplines less commonly associated with the field (e.g. geography, political science or history) but are interested in targeting international business journals.

PDW participants will receive feedback on their work from experienced international business scholars on the JIBS or JIBP Editorial Board. The workshop will start with an introductory session on publishing in these journals, led by JIBS Area Editor Becky Reuber. Authors will then be paired with experienced scholars to discuss their paper.

Prospective participants should submit their paper by email, by Monday, **February 3** (to aibuki.pdw@gmail.com). An applicant may submit only one paper, but may submit the same paper for presentation at the conference. The cover page should include your name, email address and affiliation. Papers must conform to the style guidelines for conference paper submissions, listed on the conference website. All participants must register for the conference before they confirm workshop attendance.

Participants will be notified about the acceptance of their submissions by Friday, **February 7**. They will be required to confirm their participation and register for the conference by Friday **March 6**. If they wish a more up-to-date version of their paper to be discussed at the workshop, they will be able to submit one up until Friday, **March 20**.
