

SOUTHERN CALIFORNIA QCA Workshop

HOSTED BY THE UNIVERSITY OF CALIFORNIA, IRVINE

Organized by Charles Ragin and Peer Fiss

March 26-March 28, 2020

10am-4pm each day

The goal of this workshop is to provide a ground-up introduction to Qualitative Comparative Analysis (QCA) and fuzzy sets. Participants will get intensive instruction and hands-on experience with the fsQCA software package and on completion should be prepared to design and execute research projects using the set-analytic approach.

Fee: **\$375** for faculty, **\$175** for doctoral students

Register at www.fsqca.com

Space is limited.
